

## **Please bring with you to your appointment:**

- A driver
- List of ALL medications and drops used
- New patient paperwork
- Insurance card(s)
- Picture Identification
- Lens implant identification cards from cataract surgery (if applicable)
- Sunglasses (if you do not have them they are provided)

**We ask that you allow a minimum of 2 to 3 hours for your visit due to dilation, testing and procedures. Your patience will be appreciated.**

**As of January 01, 2012 we are no longer excepting uninsured patients.**

**You must confirm your appointment within 48 hours OR your appointment will be canceled.**

**Randy Dhaliwal, MD, FRCSC, FACS | Oksana Maria Demediuk, MD, FACS**
